Redefine Your Reach. Reimagine the Outdoors.

asterisk

every pixel with purpose.

Why Asterisk

- Pick transit routes, times of day, and custom geofences.
- Launch, swap, or test your campaign in minutes.
- Get live dashboards for plays, uptime, and estimated reach.
- Manage every site and format from a single place.
- Clear reporting for ROI clarity.

Who You Reach

- Office-goers on daily commutes.
- College & school students.
- Shoppers, families, and local travellers.
  Daily visibility keeps your brand top-of-mind when they choose.

Creative & Delivery

- Static: PNG/JPG, 1080×1920.
- Video: 1080p or above, 10–15 seconds, no audio.
- Go-Live: same-hour after compliance approval.
- Changes: mid-campaign swaps and tweaks allowed.
- Support: creative resizing/adaptation.
- Creative on demand - Need design help? We've got a studio
- Resize, refresh, replace fast.

Stats & Reporting

- Play verification logs (timestamps & uptime).
- Estimated impressions by route, hour, and day.
- Dashboard for checking impressions and other metrics.
